

WOODWARD CANYON

2021 "ARTIST SERIES" CABERNET SAUVIGNON WASHINGTON STATE

"Masses of steeped plums and crushed black raspberries and a dusting of clove and exotic spice make the 2021 Cabernet Sauvignon Artist Series a total pleasure on the nose. This sweeps across the palate with ease, guided by zesty acidity and ripe wild berry fruits that slowly saturate. It tapers off with a spicy tinge, leaving an air of lavender and hints of salted licorice. Fine-grained tannins frame the experience nicely."
